GOOD Kitchen & Bathroom

Company profile

In 2000, Australian Xinfeng PTY LTD CO was established in Sydney, Australia. We predominantly produce kitchen sets, bathroom products, granite bench-tops, household furniture and electrical fittings. Our products which conform to Australian standards are highly regarded and accepted by our Australian costumers. Corresponding with business development requirements, we established Australian Xinfeng Group PTY LTD in 2006. Xinfeng Group mainly engages in real estate, the dining industry, imports/exports, Australian red wine, Australian infant milk powder, kitchen & bathroom and house ware production and sales.

Our products are sold through numerous Xinfeng Group branches in major Australian cities such as Sydney, Melbourne, Brisbane, Perth and Canberra. Xinfeng Group founded and registered the subsidiary 'Aoxinfeng Kitchen and Bathroom Product PTY LTD CO' in Huizhou, China. With a registered capital of 19 million RMB and a total investment amount of 1 billion RMB, this industrial park covers over 30,000 of the 70,000 square meters of land available. The first phase of development saw 28,000 square meters of land completed which are currently used as a merchandise showroom, a logistic distribution and delivery centre, kitchen cabinets/vanities/granite bench tops/shower screens production departments, the aluminium products work shop, the Australian Baby Milkpowder Trading CO. LTD., the Redking Wines PTY LTD CO and the purchasing department of Xinfeng Group in China are also established there.

As Xinfeng's business attitude is based on 'Humanized/Scientific Management' we have and always will offer our customers a service that is both dynamic and innovative with maximum quality for all our commodities to ensure that our credibility is maintained. We strive to provide original custom designs with convenient after-sale service.

Client Satisfaction is our Mission. We at Xinfeng would welcome any business opportunities with your company and we will look forward to developing these with you.

Kitchen

Shopping Guide

1. Clear requirement
   You should have an idea about the functionalities of a set kitchen you need. Good plan can make you get a perfect kitchen for you future living.
2. Collect veracious figures
   The veracious kitchen figures are necessary for you to choose a set of kitchen, such as, the wall sizes, room size, etc. If you need professional support, please ask our sales person to help you.
3. Choose a kitchen suit structure
   According to the requirements and the conditions of you kitchen, you can choose the normal set of kitchen or make a special order. You should consider refrigerator, sink, cook top / oven's positions when you make a plan.
4. Personal design
   After decide the whole structure of kitchen set, you should make a decision of what styles and colors of the doors, granites, etc, according to your home design and your favorite.
5. Visual view first
   After four steps finished, you can ask sales person to help you get an entire view of your kitchen. If you buy the normal set, you can have a look at show room. If you buy a special order, you can ask us provide a picture of the set you ordered.
6. Make a purchase schedule
   Base on your building plan, you should ask sales person when the normal kitchen set or special order can be provided. According to such information, you can make a exact purchase schedule with us.

FAQ

1. What product of kitchen do we provide?
   We provide normal sets of kitchens. You can.
2. What support do we provide?
   We can help you to make a professional advisement our staffs about you kitchen. We will provide a design picture for you if you make a customer design kitchen.
3. How much for customer design kitchen?
   We will provide you lowest price for you if you make a special order, which is calculated from all unit prices.
4. What is the difference of customer design kitchens and normal kitchen sets in quality?
   There is not different of these kitchens. We have our own factory to produce them. All the products are well qualified. We all provide quality guarantee.
5. How quickly can the kitchen be ready for customer after it be ordered?
   This is according to our storage. The normal kitchen sets will much quicker than special orders. If your order is special, we need more delivery period. But normally it should in 8 weeks. If you want an exact time, please ask our sales.
6. Is there a quality guarantee?
   Yes. We provide at least one year quality guarantee for all the products. For more information you can ask our service staff.
7. Do we install kitchens for you in your homes?
   Yes, we can assemble the kitchen for you. In addition, we will provide installation in your house.
8. How is the kitchen packed?
   We usually assemble kitchen set for you. If you want get flat-package, you can tell our sales person.
9. Can kitchens be delivered to customer?
   Yes, we can deliver it to you but it will be charged. It is possible that you want pick it up by yourself.

For Bar Cabinet

KKB-131B,172B,176B ,180B 130mm(high)*470mm(deep)

Bathroom

Shopping Guide

1. Plan structure
   Before you choose the products, you should have an entire plan based on your requirements and your bathroom conditions. Good arrangement of your bathroom items is also important. The vanity can be located near the door or face it. Toilet and shower screen should avoid facing door or near it.
2. Collect various figures
   The various bathroom figures are necessary for you to choose bathroom products. It can help you to choose suitable vanity, toilet, shower screen, etc.
3. Personal design
   After deciding the entire structure of the bathroom, you should make a decision as to what styles and colors for your bathroom items, according to your home design and your favourites.
4. Choose perfect vanities
   Vanity units should have tall feet avoiding the moisture which comes from the floor. It also should have many drawers to hold more small items. When you choose it, better have various sizes of your plan. It will improve your bathroom tidiness if you choose the vanity which can hide pipes, etc.
5. Choose perfect toilets
   The toilet's appearance should be similar in style to the other items in the bathroom. It is advisable that you can choose the toilet which saves more water. The size of the top part of the toilet does not determine whether it save water or not. Our professional sales personnel can provide such information for you.
6. Choose perfect shower screen
   Shower screen's appearance should be a similar style to the other items in the bathroom. If the bathroom allows, you can choose square one.

FAQ

1. How quick can the product be ready for customer after it is ordered?
   Normally you can get it immediately.
2. Is there a guarantee?
   Yes. We provide at least one year quality guarantee for all the products. For more information you can ask our service staff.
3. Do we install items for you in your home?
   No, we will not provide installation in your house. If you need professional installation, we can give you some suggestions about a builder to use, but we have give no guarantee on this work.
4. Can items be delivered to the customer?
   Yes, we can deliver it to you but it will be charged. Otherwise, you can pick it up by yourself.
